

# Sponsorship Summary

September 2011

Dear Temple,

We look forward to having Bro John Anderson with us for this coming weekend. He will be speaking at the couple's event on Saturday and preaching all day on Sunday. You will truly enjoy him, as we have the Grissoms and Shores. These are our missionaries here in Britain. We have the privilege of being their sponsor and I truly believe this is God's hand in answering our prayer for more churches to be planted here in our country for the glory of God. Please do keep these servants of God in your prayers, it will be fruit to your account.

Ben Shore – Scotland – From a recent letter: “The Lord gave Kirk and I a sweet prayer time this morning. I've got about a five mile walk that I take on occasion. A lot of times I just pray while I'm walking. But, in the woods of Dalkeith Country Park is a nice cut out bench where it is very convenient to pray. At least two people walked by while we were praying and I trust the Lord used it to convict their hearts.”
